President and Founder

Rev. Frank A. Eberhardt

Frank was raised in a Roman Catholic home and wanting to serve God as a priest entered the Order of Saint Vincent De Paul in 1968. He began to apply to Catholicism the basic rules of logic, **“Who, what, where, when, and how.”** When these simple inquiries were met with disapproval he turned to the only source of truth available to him, the **Word of God.**

For more than a year he reasoned and debated with the priests in Catholic Seminary, until 1972 when he discussed Salvation with a Bible believing Pastor in Philadelphia and accepted Christ as his only Saviour.

After his salvation, Frank attended Bob Jones University and upon graduation in 1976 founded the Mission **Gospel Outreach Inc.**

He has preached throughout the United States, Latin America, the United Kingdom and Africa with standing invitations to the Philippines and Australia. He has served as both Pastor and Missionary planting 3 Independent Baptist Churches. He is a co-

founder of the **Truth in Print Christian Book Store** and **The Association of Fundamentalists Evangelizing Catholics.** Frank sits on the boards of several ministries, and is often called on as Keynote speaker in Mission Conferences.

He has authored tracts and booklets about Catholicism, produced a study Bible called the **Catholicism Explained New Testament** and a Course on **Roman Catholic Evangelism.** He has been interviewed for Radio, TV and Video, and maintains his own radio program called **The Keys of the Kingdom.** His sincere burden is to open the eyes of people who know more about Church than Christ.

G.O. HISTORY

Gospel Outreach began as a Home Mission in 1976 in Philadelphia PA. In 1993, with a never wavering purpose of reaching Roman Catholics for Christ and in need of helping our Missionaries with office efficiency, the headquarters relocated to Taylors South Carolina. Our name was expanded to **Gospel Outreach Int. To Roman Catholics** to better reflect the nature of the Ministry.

GO teaches **Roman Catholic Evangelism** in the Local Church to Missionary Candidates, and in Bible Collages. Our missionaries are in 10 countries and **GO** helps fundamental works in **47** others through: Research, Tracts, Tapes, Videos, Books and Booklets specially designed for Roman Catholics.

Training Seminars have been developed on the basics, **Winning Roman Catholics,** and on more specialized areas of **Dealing With Catholic Doctrine.**

We are involved in the Association of Fundamentalists Evangelizing Catholics, the International Fundamental Churches of America, the Fundamental Baptist Fellowship and the Fellowship Of Missions.

We have always known that our Missionaries can never reach the 1,000,000,000 Roman Catholics of the world. So **we need your help!**
