

GOSPEL OUTREACH MOVES OFFICES

Gospel Outreach International, a ministry to Roman Catholics directed by Rev. Frank Eberhardt, recently moved from Philadelphia to Greer, SC.

According to Kim Eberhardt, wife of the director, "South Carolina offers a more economical environment. The new site more than doubles our available office space."

With the help of Men for Mission of Hampton Park Baptist Church of Greenville, SC, the Eberhardts are remodeling and setting up their new offices.

Eberhardt, a former Roman Catholic seminarian, founded Gospel Outreach in 1976. Since that time, he has expanded the ministry internationally through literature distribution and personal speaking engagements. Most recently, the fruitful (at least nineteen souls people professed Christ) distribution in Africa of Eberhardt's *Catholicism Explained New Testament* (CENT) resulted in his scheduling a six-week mission trip to Nigeria for November 1993.

A wide range of informational, instructional, and evangelistic materials—including tracts, booklets, CENT, and audio and video cassettes—are available from Gospel Outreach. Eberhardt is also available for speaking engagements.
