DEAR FELLOW SERVANTS IN CHRIST

SPRING 2006

FAMILY UPDATE

In January the children, Melissa and Daniel, were in an automobile accident on their way to school, Melissa was driving. The entire left side of the Honda was destroyed, but the Lord kept them safe, the kids were shaken up and bruised severely but they walked away. Melissa had a complication with her spine, it is twisted instead of straight, we are going to the Doctor regularly, he said he will be able to correct the problem. The insurance Company did not total the car so they are still working, the estimate was 8 weeks to repair. Because of the accident we have had to change our schedules so that I take the kids to and from school again. **Please pray** that Melissa will improve, that the shop will finish the car and it will drive correctly, and that Melissa will not be afraid to get behind the wheel again since she will be driving to Bob Jones University as a college student next year.

Dad is still at the Greenville Living Center (rehabilitation), and had pneumonia in March. He has fallen several times because of the lack of strength in his legs but praise the Lord he has not broken any bones or been hurt seriously. For now they are telling us that Dad may not regain enough use of his left side since the stroke to come home. The family would all like to have Dad come home, but we know that Mom (who is 77) would have difficulty giving Dad the care he needs. **Please pray** for Dad's health to improve and the wisdom to know the Lord's will in this situation. Plans to travel this Summer are again on hold until we know something more definitive about Dad's health.

MATERIALS

The tract of Pastor Ombui's testimony, *"Salvation According to the Riches of God's Grace"* has been completed and is now available in Spanish. The update of the booklet **"CATHOLIC DOCTRINE AND THE BIBLE"** is coming along well and should be ready soon. Most of the original notes for the **"CATHOLICISM EXPLAINED NEW TESTAMENT"** have been added to the computer and we will be able to type in the additional notes soon. **Please pray** that we will be able to complete these special projects which will help us to win the lost to Christ. Please write us for an updated order form of materials available.

30 YEARS FOR GOSPEL OUTREACH

In May, **GOSPEL OUTREACH INT. TO ROMAN CATHOLICS** will celebrate 30 years of ministry. We have calculated the number of people who have come to Christ because of contact with our tracts and missionaries from the missionary reports and letters receive from converts who have asked for more help from us. Those who received Christ in the last 30 years are over 45 Thousand people. Praise the Lord, for His blessings. We know that we could not have seen such results without your faithful prayers and help over the years. **THANK YOU VERY MUCH** for keeping us in your prayers so faithfully. May the Lord bless you for your help and reward you many fold.
