

Dear Brother in Christ

Thank you very much for three boxes of New Testaments of Catholicisms.

Two Bishops have now received the true baptism now are real children of God as the result of your wonderful message you shared in those New Testaments.

To-morrow we are going to baptise 107 Catholics who have received witness from the two Bishops who are received as the first Bishops in Malawi to receive the message of salvation and accept Jesus Truly. Pray for them this is wonderful.

Could you please send more New Testaments of that kind to bless others who have not yet the message of salvation through your teaching. We are praying for your ministry.

Hope to hearing from you.
